Faith Expeditions through the Pac Northwest

July 30 - August 7

Road Trip: SoCal to Seattle
Discoveries in Discipleship

Come join us this summer for the adventure of a lifetime! Our journey begins in Southern California as we cruise the highways and byways of the west coast making our way to Seattle, WA. Along the way our quest will include treks through the Bay Area, the Redwoods of rugged NorCal coast, rafting on the Rogue River in Oregon and sightseeing and service in the greater Seattle area.

In true road trip style we will pile into passenger vans and avail ourselves to the hospitality of several churches and campgrounds on our expedition. Following the Great Commission we will "Go Therefore..." making and becoming better disciples.

See other side for details including cost, schedule and registration information.
